

**Qualification Certificate of Supplier
Lieferanten Qualifikationsbericht**

Page / Blatt 1 von 1

This is to certify that:

according to GNS ASME III Certificate No. **N-4665**,

Supplier No. 105433

**Name of Supplier: ITB
Ingenieurgesellschaft für technische Berechnungen mbH, Dortmund**

has been qualified with regard to GNS QA-Program for the following scope:

Scope of supplies: Supply of SERVICES (execution of structural evaluation calculations, preparation of design calculations/analysis)

Applicable Standards: ASME Code Section III NCA-3800, ASME III Div.3 Ed.2017, NQA-1 Ed. 2008 Ad. 2009a and others as referenced in the applicable GNS's Purchase Order

This certificate applies to GNS's order process and is valid until 23.08.2022 subject to annual evaluation of above mentioned Supplier by GNS for maintaining this qualification.

**Base of qualification: ASME III Div.3 WA 3800 Ed.2017, PI 7-4 Rev.0
Audit performed on 02.08.2019**

Essential changes of the Supplier's Quality Management System shall be reported and have to be accepted by GNS prior to their implementation. Otherwise, the validity of the Qualification Record shall become invalid.
