

**QUALIFICATION CERTIFICATE OF SUPPLIER
CERTIFICATE NO. 105433**

Hereby we certify that:

Company: ITB Ingenieurgesellschaft für technische Berechnungen mbH

Adress: Europaplatz 7, 44269 Dortmund, Germany

GNS supplier no.: 105433

has been qualified in regard to GNS' Quality Assurance Program (QAM II) for the following scope of supply:

Scope of supply: Supply of SERVICES (execution of structural evaluation calculations, preparation of design calculations/analysis)

Applicable Standard/s: ASME Code Section III NCA-3800, ASME III Div.3 Ed.2021, NQA-1 Ed. 2008 Ad. 2009a, NQA-1 Ed.2015, and others as referenced in the applicable GNS's Purchase Order

on the basis of: **ASME III Div.3 WA 3800 Ed.2021, NQA-1 PI 7-4 Rev.0
Audit performed on 10.10.2022**

**Supplier's Quality Assurance Program / Manual
(Rev. and date of issue): PI 7-4 Rev.0**

Audit performed by GNS (Audit date and no.): 10.10.2022 ; EA-NQA-1-2022-09

This certificate applies to GNS's order process and is valid from **10.10.2022 until 09.10.2025**.

In order to maintain this certification an annual evaluation of the supplier's quality assurance by GNS is required.

Essential changes of the Supplier's Quality Assurance Program must be reported and accepted by GNS prior to their implementation. Otherwise, the validity of this qualification shall become invalid.
